

EARTH GROUNDING CABLE

DISCHARGE HARMFUL ELECTRO- MAGNETIC FREQUENCY (EMF)

EMF from computers, TV screens, cell-phones and other electrical appliances can disrupt our human natural vibration fields. This contributes to lowered immunity, poor digestion, lethargy, anxiety and insomnia.

Grounding Cable enables you and your loved ones to release harmful EMF through connection with the Earth Cable. This injects negative electrons into your body and restores its natural harmony.

BENEFITS OF GROUNDING CABLE

1. Improves immunity.
2. Negative ions protects against inflammations & chronic diseases.
3. Better and deeper sleep.
4. Great for desk-bound workers, computer-gamers and individuals who are exposed to extra EMF.
5. Durable, affordable, convenient, safe and easy to use anywhere!
